

Vista-Tec *laStoria*

The original face shield

The iconic and elegant Vista-Tec face shield, appreciated by dental and health professionals since its conception in 1989, now redesigned with enhanced protection features.

The ultra-lightweight face shield includes a resistant, replaceable polycarbonate shield that provides premium optical properties for a relaxed vision, reducing unnecessary eyestrain over longer work hours.

Vista-Tec laStoria features a silicone headband that enables optimized stability and comfort.

Vista-Tec laStoria kit

REF 5621

1 frame, 2 shields, 1 headband

Vista-Tec laStoria shield

REF 5626

5 polycarbonate shields
